2006 - 2016

# Vision

20% Car  
80% Sustainable Transport

## Overall Targets for Dublin City

- 33% reduction in energy consumption by 2020
- 20% reduction in CO2 emissions by 2020
- 10% modal share of cyclists nationally by 2020 –translates as 25% in Dublin City & will not be achieved unless radical investment
